#### RECOMMENDATION LETTER

During the last few years our company has been working with Służalek on few different cases. The company offers high quality services and we can say that we have always been satisfied by their work.

Since 2012 Służalek has been a great help for us on foreign soil especially on debt collection cases.

They are proficient and know everything there is to know about domestic and international law affairs. We strongly recommend the services of the company and are looking forward to working with the company again in the future.

Sincerely,
